

Dear friends and family,

A lot has happened over the last four months at Harvest House. The first couple months were spent preparing the house for move in. Because it's a fairly old house, there was a ton of work to do before we could move in. With the help of friends, family, volunteers, and church groups it has come a long way. We were able to move in July 1st which has made it easier to get the house ready.

We had originally planned on moving in our first couple of girls August 1st, but that date has passed and we still do not have any girls in the house. The good news is we are ready to house the girls, but the bad news we have not hit our financial goal in monthly support.

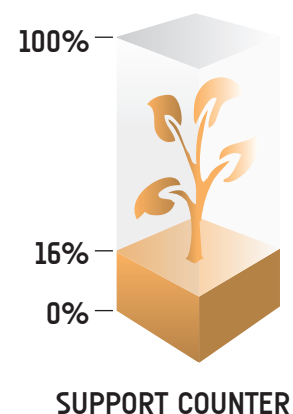

Just this past week we found out a young woman that regularly attends the Attic and often attends Harvest Christian Fellowship is living out of her car. The news took us as a surprise. She is in a difficult situation but did not want to ask for help.

We hope to give her and other young women in similar situations a place at Harvest House.

We are both committed to this ministry but to take the next step forward we need your help. At this time we are at about 16% of our monthly goal. We cannot be approved to move in a "Harvest Girl" until we have reached our monthly support goal. It will only take 127 people to give \$20 a month to hit our goal. Information about how to support this ministry financially is included. We can't thank you enough for all your continued support and we can't wait to tell you how God works.

God Bless,

Casey & Christine Spitnale
House Parents

Finally, all of you, live in harmony with one another; be sympathetic, love as brothers, be compassionate and humble.

1 Peter 3: 8
